SEND YOUR SHIRT ORDER FORM

Dear New Customer,

You are one step closer to having the perfect shirt made for your body and according to your specifications. No one at Alexander West believes in mass production of shirts, rather we believe in exclusivity and elegance.

Please put your best fitting shirt in a box or envelope and send it to us with this form filled out. After we get your shirt, we will contact you with your measurements. We will send back your test shirt with your first shirt order. If you would like to get it back before your first shirt order, we will charge a shipping & handling fee of \$12.

IMPORTANT - please note that the shipping cost to Alexander West will be borne by the customer. We recommend that you use the "Return Receipt" service if sending via United States Postal Service or save the tracking number if using a nationwide delivery carrier.
